Children ages kindergarten - 6th grade

They will be starting “The Biggest Story Curriculum” including 104 lessons spanning roughly two years designed to help children understand God’s plan to redeem the world through His Son, Jesus, by leading them through the story of the Bible.

IT IS FINISHED

Consider how reliable you are, how well you do with follow-through, and how consistently you fulfill responsibilities you take on. Know that Jesus has set that bar high! Even from the cross, Jesus responsibly and compassionately provided for his mother, assigning his disciple John with her care (John 19:26-27).

Then, from noon until three in the afternoon, “darkness came over the whole land” (Luke 23:44). According to John, at about that time Jesus cried out those heartbreaking words -- “My God, my God, why have you forsaken me?”

The perfect Lamb of God “bowed his head and gave up his spirit.” Jesus had done what he had come to the earth to do: he had died on behalf of sinful human beings so that we could once again be in relationship with our holy God.

“The Story devotional”

“We have been made holy through the sacrifice of the body of Jesus Christ once for all.”

Hebrews 10:10
